Dear SUPAR Parents/Guardians,

On a regular basis, SUPAR students will need to go to the public library to get resources for projects/research. Therefore, it is essential that students have access to the library and permission to go there. If your son/daughter does not have a library card, PLEASE attempt to get one as soon as possible.

The same will hold true for trips to UWM and with UWM personnel. We will need to be on campus frequently for SUPAR Fridays, research at their library, visiting sites, etc. Rather than sending permission slips constantly, we are sending this one slip to cover these two types of activities. If other trips come up, separate permission slips will be sent for those.

Thank you

The SUPAR Staff

\_\_\_\_\_ has permission to go to the library and/or participate in UWM activities during the 2008/2009 school year. I understand that my son/daughter will be riding the bus, and that they may be dismissed from the library.
